

AUTOMOTIVE PARTS DISTRIBUTORS
— THE RIGHT PART...***FAST!*** —

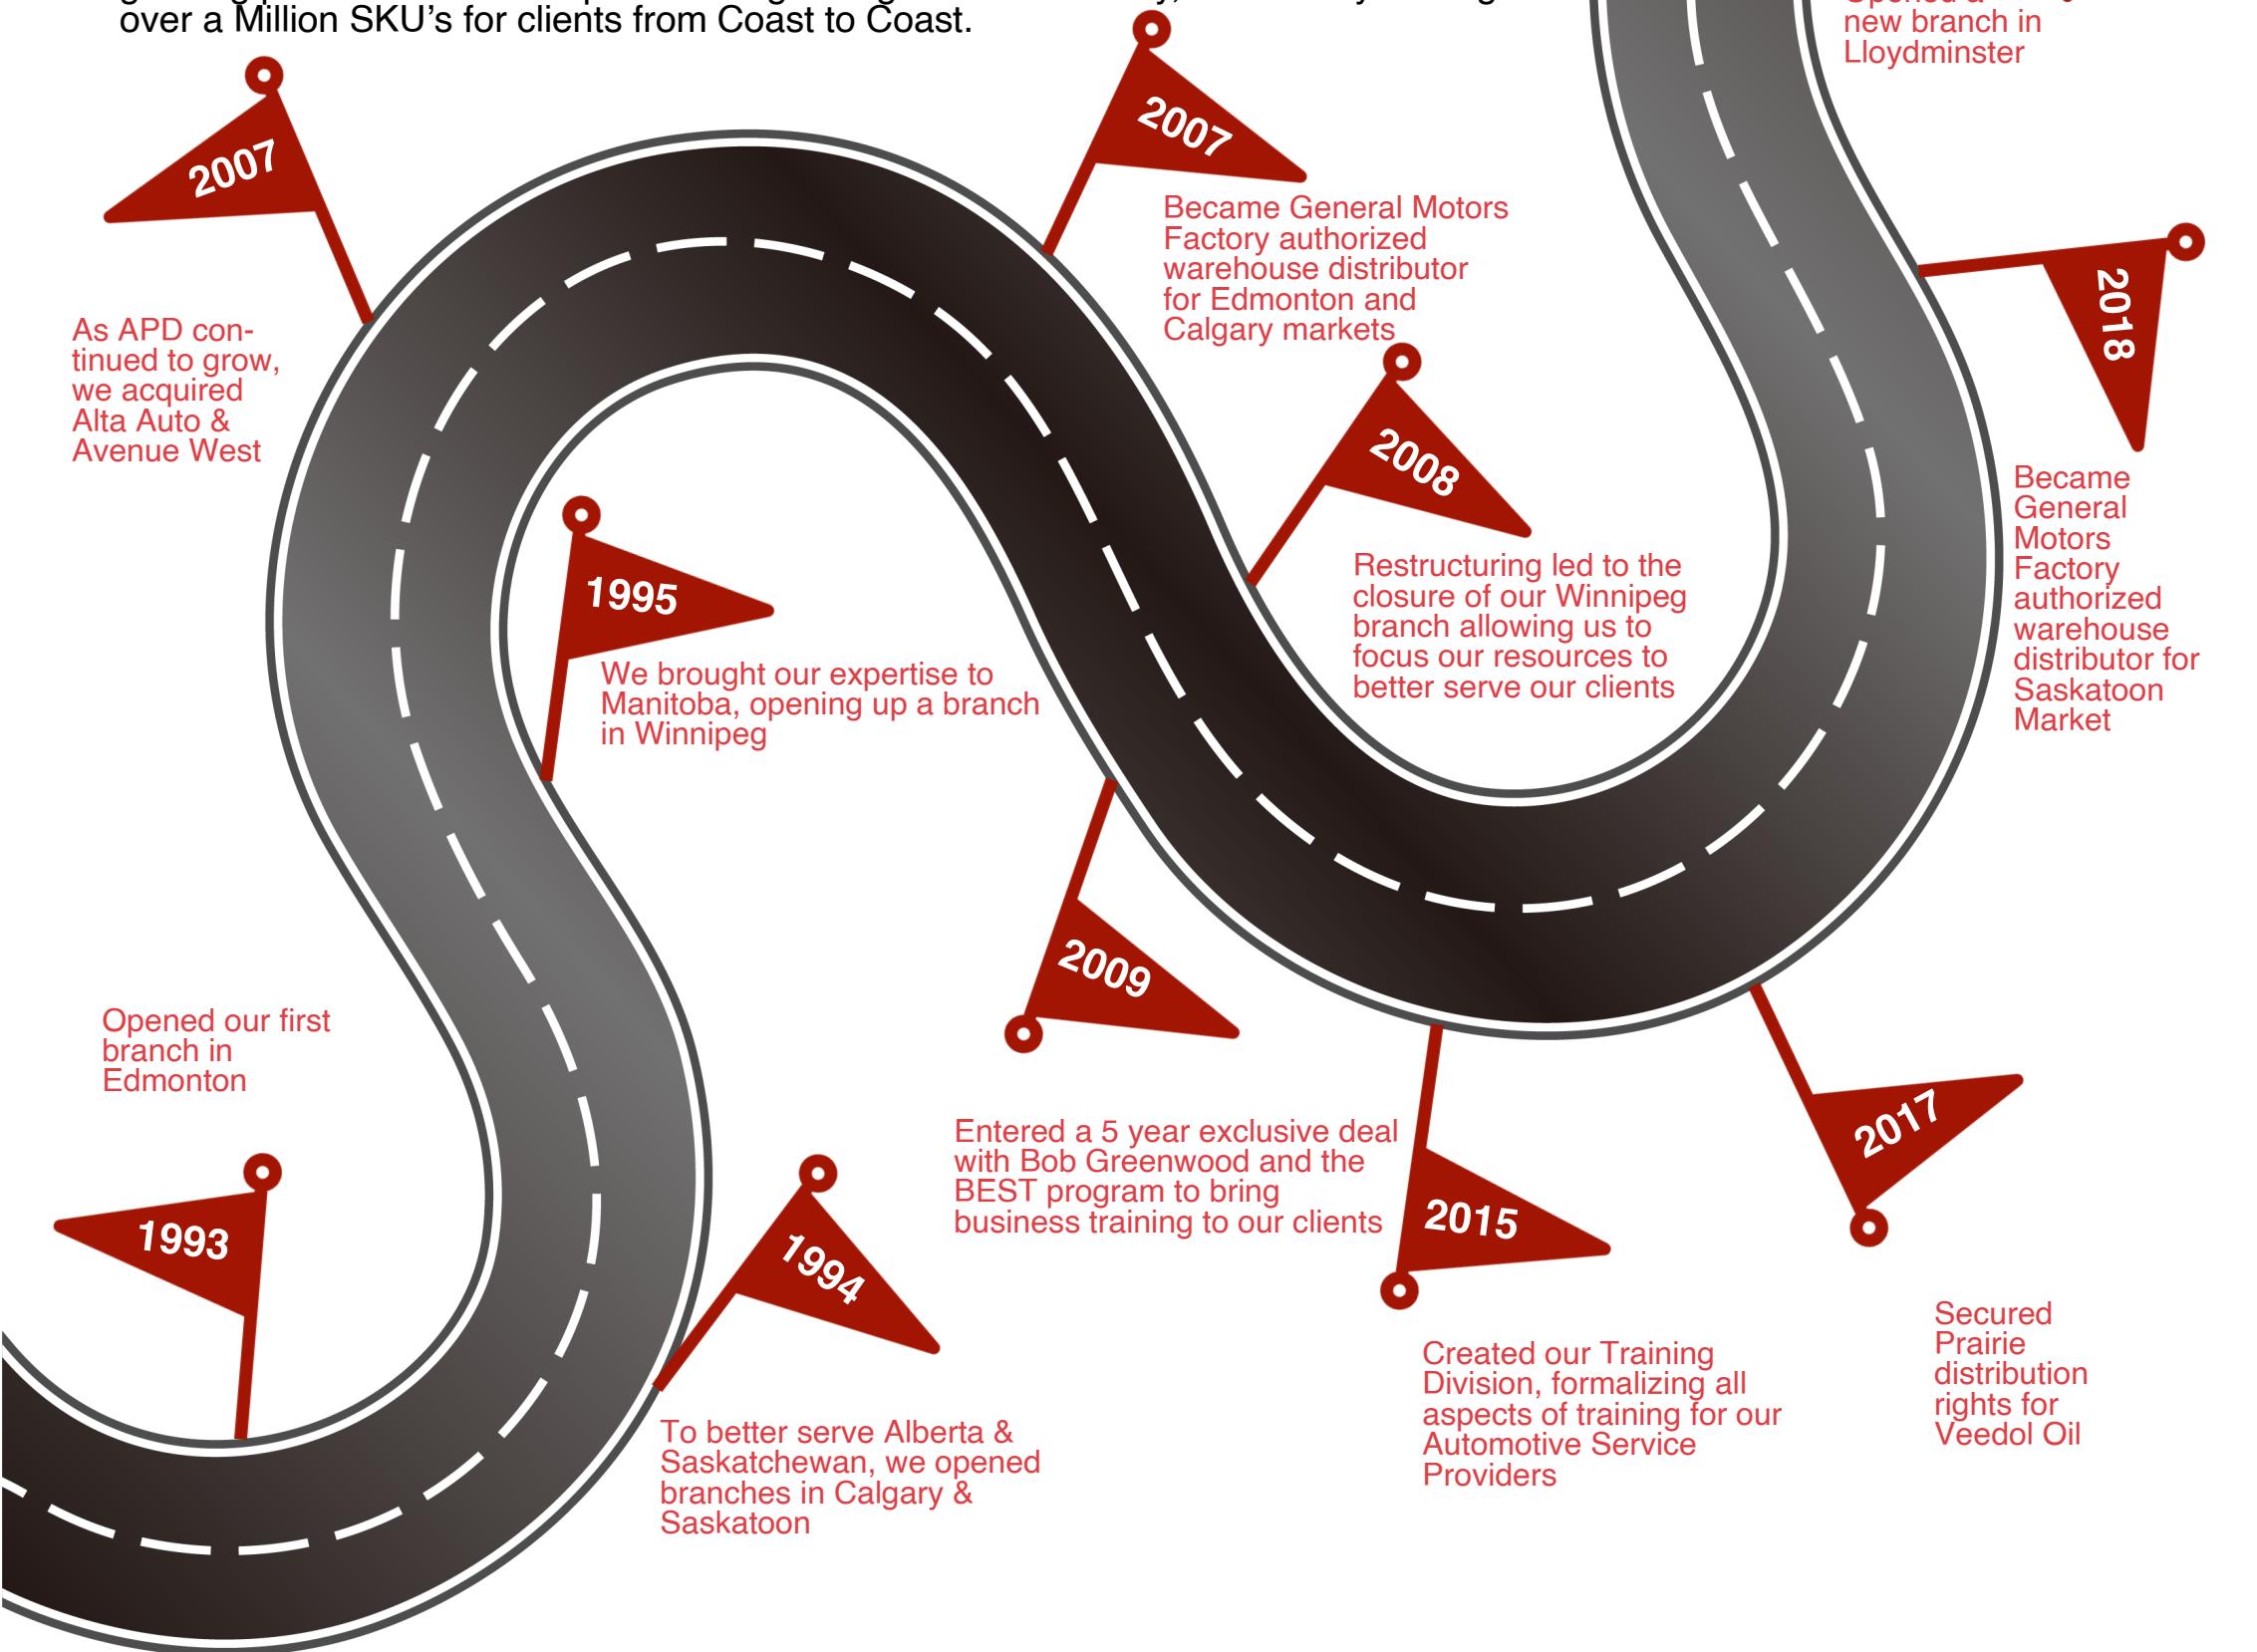

OUR HISTORY

It all started with a muffler...

In 1981, the Schumacher family started Red Deer Exhaust Specialties in Alberta, making Flo-Pro, Blue Bottle, and Twister Mufflers. APD was formed in 1993 to enhance the growing parts distribution aspect of the growing business. Today, we actively manage over a Million SKU's for clients from Coast to Coast.
